1. On order of the Central Democratic Bloc in Berlin, the deputation of the National Front in the state legislatures (Landtagsfraktion der Nationalen Front) will, in its caucuses, study measures for the restriction of traffic of individuals into Berlin. The deputation is to estimate the number of persons who have urgent business in Berlin and suggest ways and means for the constitution of restrictive measures. Similar decisions concerning travel restrictions to Berlin will also be submitted through the deputation by the state legislatures, in an attempt to stop the stream of political refugees and agents into Berlin.
2. Permanent passes to Berlin are no longer issued to drivers of motor vehicles. Every application for a pass (propusk) for each individual and each entry into Berlin must be submitted to the police. Permanent passes are no longer issued, even in cases of priority requests, such as those presented by the Reichsbahn administration.
